</table>
| ![Navigation Icon](image) | Navigation | Press the left, up, right, and down Navigation buttons to move between and select screens and options.  
Press the center OK button to submit the selection.  
**Note:** These buttons are available only on the 9608, 9608G, and 9611G. |
| ![Message Icon](image) | Message | When you receive a voicemail, the phone illuminates the Message button.  
Press Message to listen to your voicemails. |
| ![Phone Icon](image) | Phone | Press Phone to view the Phone screen.  
During a call, you can gain access to the following options from the Phone screen: Hold, Conference, Transfer, and End call. |
| ![Contacts Icon](image) | Contacts | Press Contacts to view the entries in your contact list. |
| ![Home Icon](image) | Home | Press Home to configure options and settings, and or any applications available to you, log out, or view network information. |
| ![History Icon](image) | History | Press History to view the history of your outgoing, incoming, and missed calls. The deskphone illuminates the button when you have missed calls.  
The top line shows the Missed Call icon and the number of calls that you have missed. |
| ![Headset Icon](image) | Headset | Press the Headset button to use the headset if connected.  
**Note:** Only HHS headset cords are compatible with your phone. |
| ![Speaker Icon](image) | Speaker | Press the Speaker button to use the speakerphone.  
To take a call off the speakerphone, lift the handset or press the Headset button. |
| ![Volume Icon](image) | Volume | While on an active call, press + or - on the Volume button to adjust the volume of your handset, headset, or speaker.  
While you are not on an active call, press Volume to adjust the ringer volume. |
| ![Mute Icon](image) | Mute | Press the Mute button to mute a call in progress.  
To take a call off mute, press Mute again. |
| ![Forward Icon](image) | Forward | Press the Forward button to enable call forwarding features such as Send all calls to a pre-specified number. To disable, press Forward again.  
**Note:** This button is available only on the 9621G and 9641G. |
