

Availability of Temporary Licenses for Avaya Aura[®], Avaya Aura[®] Call Center Elite, and Avaya IP Office[™]

Version 1.0 Dated 11 October 2018

Avaya aids and supports our customers during emergency situations. In the particular case of Hurricane Michael, this aid extends to the availability of temporary, complementary software licenses to help those customers impacted by the storm maintain open lines of communication with all their stakeholders.

The following solutions are included in this offer:

- Avaya Aura[®] Platform, Core and Power Licenses, Release 6.3.100 or greater (Communication Manager Messaging 6.3.111 or greater, Avaya Aura Messaging 6.3.3 SP7 or greater)
- Avaya Aura[®] Call Center Elite Release 6.3.100 or greater
- Avaya Aura[®] Application Enablement Services
- Avaya IP Office[™]

Temporary License Request Process:

For all requests, including urgent requests, please call the Helpdesk at the numbers below and have the ticket flagged as “**Business Critical**” (1 business day resolution) and indicate your request is for temporary licenses due to Hurricane Michael. Once the customer’s request is approved by Avaya, the customer may access temporary licenses for up to 60 days.

Note that the PLDS, RFA and KRS Helpdesk personnel will require sufficient time to evaluate and approve the request. If the originator of the ticket does not receive feedback according to their needs, they should request an escalation from the Avaya Helpdesk.

For the USA, please call 1-866-AVAYA IT (+1-866-282-9248) or 1-720-444-0130

Canada and CALA users should call +1 720-444-0130
