**Hurricane Support: Avaya Support and Free Emergency Communications for Impacted Customers**

Avaya is prepared and available to help customers impacted by Hurricanes. To help preserve your critical business operations, we're offering complimentary Avaya Solutions to affected customers for 60 days once activated, along with Avaya Support resources:

- [Complimentary Aura and IP Office software licenses](#): Please call the Avaya Helpdesk at 1-866-AVAYA IT (+1-866-282-9248) or 1-720-444-0130 to request temporary licenses.
- [Avaya IP Office Cloud Services](#): Add the communications capabilities you rely on in the office to any smartphone, tablet or laptop to continue to reach your employees and customers.
- Report a hurricane-related outage via the [Avaya Support Website](#) (Select the Report Service Outage Button). The site also features resources including checklists and a damage assessment form

Your safety is our first priority, and we stand ready to support your business continuity and disaster recovery needs, now and into the future.
