

End of Sale Notice (Amendment)

Notification Date: 11-Sept-2019

Effective Date: 8-June-2020

Subject: End of Sale – Avaya Aura Messaging

Theatre/Region: Global

Revision History

Revision Date	Reason for change
10-Apr-2019	Original version for publication.
5-Sep-2019	Allow for server inventory depletion
11-Sep-2019	Updated Services EOS dates

Summary

Effective **June 8, 2020**, Avaya will no longer sell (make commercially available) new Avaya Aura Messaging systems deployed on turnkey physical server, AVP, Customer-provided VM's, or Software only downloads across all releases up to and including all Release 7.x

This change is a result of Avaya's messaging strategy to be condensed to one messaging platform offer across all market segments.

System Expansion post-End of Sale

New system sales will end on the date indicated, however, for AAM 7.1, the capacity of installed systems may be increased based on the continued availability of order codes for any System Expansions until June 8, 2021.

Upgrade Strategy

Existing AAM customers not currently on the latest release can continue to upgrade to AAM 7.1.x until June 8, 2021. Service pack upgrades will be available twice annually until Jun 8, 2022.

Migration Strategy

Avaya now offers the following alternative solution: Avaya IX™ Messaging (Formally: OfficeLinx). Avaya IX™ Messaging introduces numerous enhancements and new capabilities including:

- Traditional Voicemail

- Unified Messaging
- Extensive Collaboration
- Greater Feature Flexibility
- Increased Scaling
- Voicemail & UM HA Resiliency
- Geo-Redundancy

AAM Migration Path to IX Messaging (Officelinx)

- Suite Licensing
 - Avaya Aura R8 now provides entitlement to Officelinx Licenses
 - Existing Aura / AAM customers with UA migrate licenses to Officelinx free of charge
- A-la-Carte Licensing
 - Existing AAM customers with UA migrate licenses to Officelinx free of charge
- ASIPP Pricing
 - Existing AAM customers without UA within or outside Aura Suites are offered 80% discount pricing to protect their existing investments.
- User Experience
 - Officelinx to provide an AAM-like Telephony User Interface (TUI) March 2019 to maintain end user experience after migration.
 - This reduces issues during users transitioning to Officelinx and reduces support tickets into the enterprise IT group.
- Data Migration
 - Provision R19.1 (Apr 29, 2019) tool supports AAM mailbox migration for user, greetings, messages to Officelinx.

Schedule

End of Sale for NEW systems	June 8, 2020
End of Sale for Upgrades & Additions	June 14, 2021
End of Manufacture Software Support	June 14, 2022
End of Manufacture Hardware Support	June 14, 2024
End of Services Parts Support	June 14, 2026
Indefinite Access	June 14, 2028
End of Services Support	TBD

***Avaya Services may revise the Target End of Services Support date based on the availability of quality repair parts and/or technical support expertise. Customers should always consult any available product Services Support Notices for final information on product supportability.*

Service and Warranty

Avaya will continue to honor previously executed enhanced warranty, post-warranty and service contracts in accordance with the terms of those agreements. Avaya is not responsible for any support or maintenance commitments made by Business Partners or other service providers. Additional information concerning Avaya Services can be found on the [Services Offer Information](#) Web site.

Renewals of existing Avaya service contracts covering this product will be allowed until further notice.
