

Avaya is prepared and available to help you manage through the impacts of the Tennessee storms. To help preserve your critical business operations, Avaya is providing the business version of Avaya Spaces free for 90 days. This free Avaya Spaces offer provides users with voice and video conferencing for up to 200 participants, persistent chat spaces, and file sharing, accessible from a browser or mobile app. If you believe these capabilities may be able to help your organization [visit this page](#) to launch the Avaya Spaces application.

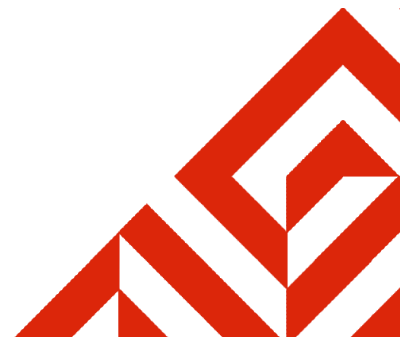

The [Avaya Support Website](#) also features specific proactive support information:

- [Report a storm-related Outage](#) (Select Report Service Outage Button).
- [Damage Assessment Form](#) to help prompt validating impact to personnel, work locations, customers, and to your company as a whole after an emergency or disaster.
- [Post-emergency Event](#) checklist to evaluate your company's response, recovery, and restoration activities following the recovery efforts of a major business disruption.

Our first priority is your safety, and we stand ready to support your business continuity and disaster recovery needs now and into the future.

Sincerely,

The Avaya Team
