

Title: End of Sale Notification for the Avaya P130 and P330 Wiring LAN Closet Switches and Product Transition to Avaya C360 Converged Stackable Switches

Notification Date: December 26, 2005

As of April 1, 2006, Avaya will no longer sell the Avaya P330 and P130 switches. As of April 1, 2009, Avaya will no longer provide Manufacturer Support for the Avaya P330 and P130 switches.

The Avaya P330 and P130 switches will be replaced by the Avaya C360 switches that are better-equipped to serve today's converged networks. The Avaya C360 switches offer improved performance and enhanced features.

Important: some of the P330 expansion modules and P330 stacking module will be still available as part of the G700 offer.

Effective April 1, 2006 the following Avaya P130 or P330 material codes will no longer be orderable:

Material Code	Description	End of Sale Date

700247570	X330W-2USP
108659228	GBIC SX
108659210	GBIC LX

Offer Strategy

Avaya now offers the Avaya C360 converged stackable switch as an alternative solution series. This series has four models, with either 24 or 48 ports in Power-over-Ethernet (PoE) and non-PoE versions. All models include two GBIC ports for connecting to servers and other higher-capacity switches. Stacks of up to 10 units can be configured and stacking is possible with the Avaya G700 Media Gateway.

P130/P330 EOS Schedule

End of Sale (EoS) Notification (this notice)	December 26, 2005
End of Sale (EoS) Last order date	April 1, 2006
Minimum Period of Support Availability after EoS	3 Years
End of Manufacturer Support	April 1, 2009

Supported Releases (of the P330)

Version 3.12
Version 4.1
Version 4.5 (This version available only for the P330-ML series)

Minimum Period of Support

The Minimum Period of Support represents the minimum period of time after the product end of sale date, during which Avaya will make available support for the product per the Avaya's Manufacturer Support Policy. Support may be extended past that period at the discretion of Avaya Services, Business Partners or other service providers. For additional information concerning long term support please contact your Service Provider.

Service and Warranty

Avaya will continue to honor previously executed post-warranty and service contracts in accordance with the terms of those agreements. Avaya Global Services will continue to support and honor all contracts through the expiration of current contracts through 2011. These wiring closet material codes are eligible for a one year contract only. Avaya is not responsible for any support or maintenance commitments made by Business Partners or other service providers. Additional information concerning Avaya Services can be found on Services Offer Information web site

<http://support.avaya.com/japple/css/japple?PAGE=Home> and on the Avaya internal portal under Services.

For additional information, contact Jane Aldrich, Avaya Data Maintenance services offer manager at +1 (727) 217-1630 or janealdrich@avaya.com
